About General Networks

General Networks Corporation, based in Glendale, California, is an employee owned professional services company that has been in business since 1984. We are looking for an exceptional candidate to join our growing SharePoint Practice Team within our Professional Services Group. The Professional Services Group provides content management and workflow solutions supporting a wide variety of business processes to major California commercial and government organizations. We support engagements that require a combination of many disciplines and skill sets.

Responsibilities

The Project Lead Consultant's responsibilities include analyzing and structuring business solutions; building prototypes and leading clients through the design/review process; building and deploying systems and custom components, conducting pilot testing; drafting key project documents; and leading small teams of consultants.

General Networks seeks bright, hard working, personable candidates who are self motivated and have the capability to work and thrive in an environment where individual initiative, customer service, and commitment to excellence are vital to successful career development.

Requirements

- Bachelors degree or equivalent experience
- A minimum of six years experience designing, developing and deploying applications in demanding business environments, with a track record of career growth and learning.
- Extensive experience with Microsoft SharePoint Server 2007 and 2010 system architecting, configuration, and administration is required.
- Experience with Visual Studio .Net development, HTML, XML, SQL and Windows Server OS is desirable.
- Excellent written and verbal communications skills.
- Self-motivated and an ability to work without supervision in a dynamic high-technology environment.

General Networks Offer

- Competitive compensation package
- Employee ownership (ESOP)
- Cafeteria health plan
- Highly challenging and rewarding environment
- Excellent opportunities for advancement and leadership
- An equal opportunity employer
